Rates quoted cover only the bringing of service to the booth and do not include connecting equipment or special wiring. Rates also include removal after the show, and current consumption during the show. Proper tagging of equipment to indicate voltage, phase, current, etc. is the exhibitor's responsibility. Labor charge for hard-wire connections will be determined after completion of work, if applicable. The Drawbridge is not responsible for voltage fluctuation or power failure because of temporary conditions. Under no circumstances shall anyone other than "House Electrician" make electrical connections. Prices based upon current wage, rates and are subject to change without notice. All equipment regardless of source of power must comply with all federal, state and local safety codes.
