

INDIVIDUAL BOAT REUNIONS

The 2010 USSVI National Convention (www.ussvi2010convention.cincsubvets.com) in Cincinnati/Northern Kentucky offers an unusually excellent opportunity for individual or group boat reunions held in conjunction with the national convention.

The Drawbridge Inn and Convention Center (www.drawbridgeinn.com) offers exceptionally low prices on rooms, food and drink, making this reunion site one of the most affordable in the country for your group. The hotel offers a free airport shuttle from Cincinnati airport (CVG) and plenty of free parking for cars. (\$20 for RV) There are many restaurants (some within walking distance) and attractions nearby.

Sleeping room rates are just \$95 night plus tax and hospitality rooms are complimentary. Reunion groups are permitted to bring in their own snacks and beverages! We are holding ALL of the sleeping and meeting rooms in the hotel, so this year provides an unparalleled opportunity to hold your own reunion in conjunction with the national convention.

Individual, hospitality rooms are clustered near the guest rooms to facilitate camaraderie amongst individual reunion groups. There is also plenty of space for individual reunion dinners or other events.
